Dorsum 2017. július 24., 10:57 ·

Our CEO, Róbert Kő participated in the 8th Hungarian Private Banking Conference, one of the main events of the Hungarian private banking sector. The conference was held in the prestigious Gundel restaurant organized by Blochamps Capital. In the panel, the participants discussed the present and future of the FinTech world in the Hungarian private banking sector. They shared their opinion about the digitalization process and discussed how the banks are dealing with that.
